SAN JOSÉ, IBIZA

- 10,677 sq ft of living space between two villas
- 20 minutes from Ibiza Town and its airport
- Breathtaking sunset views

A haven of peace and tranquility, this luxury property delivers an impressive 10,677 sq ft (992 sq m) of living space within a sprawling hillside plot overlooking San Antonio Bay. The grounds are home to two villas—one with five bedrooms and one with three, and both have their own swimming pools. Featured in

Architectural Digest, these houses have been meticulously designed to a very high standard and showcase the latest high-end technologies. Innovative contemporary art and clean, chic architectural lines, combined with integrated sound systems and LED lighting, have produced a dwelling that can enhance any mood—all at the touch of a button. Newly created, an empire suite encompasses the full upper level of the main residence. Its bedroom and bath look out over a picture-perfect view of the bay and luxuriate in fabulous sunsets over the sea. Sited at the end of a long, private road, this is a breathtaking estate in an unrivaled location.
