VILLA ADELE

SAN MIGUEL, IBIZA

- Magnificent interior of more than 9,000 sq ft
- Beautiful sunset and water views
- Balinese-style “chill-out” shack

Comprising seven bedrooms and eight baths, this stunning Mediterranean home boasts one of the most magnificent sunset views on the island. Located on the cliffs of Es Portixol in San Miguel, in front of one of the archipelago’s most spectacular hidden coves, this heavenly residence was constructed to the very highest

standards and exudes character in abundance. Highlights of the superb interior include floor-to-ceiling windows in every room, a state-of-the-art kitchen, a fabulous master suite, and a large, welcoming living room with direct access to the property’s sprawling garden and infinity-edge pool. Further amenities take in a gym, a home theater, and a separate Moroccan-style apartment—ideal for guests. A summer gazebo with room for 14 people offers the ideal entertaining space, while there is also a wooden platform for sea-facing yoga. Discover the real meaning of Ibiza living at this incomparable estate, which is also available to rent.
